

Privacy policy

We do **not** collect **any** personal data from visitors via the website www.abrio.be.

The **only** way we would get hold of any personal data is

- If you email/call us
- If you use the contact form

In the above cases, we will always handle your data confidentially and will not share it with third parties.

Messages from the contact form always and only end up with info@abrio.be.

We will not share such messages with other parties without your consent.

You always have the option to contact us by mail (info@abrio.be) for further information regarding your personal data
